Reminder to TRTs

If you are booked outside the Service or win a contract, please ring the Service and provide us with the dates so we can book you out for that time. Early communication will prevent unnecessary phones calls that may disturb you in the early AM when you are already busy. Ring on 8240 1394 and if the office is unattended, leave a message on the answering machine, or alternatively you can Email at the address above.

Please note, the Service is not an agency you contact looking for work. You’re availability will alert us if you can work and we will ring you on the day.

All DECD employees working in schools and pre schools must redo their Responding to Abuse and Neglect training if it was done before 31/12/2011. It is now done online at http://rantraining.e3learning.com.au

Thank you for your cooperation.
